

Datasheet CORE 10A Intelligent Plug

Product Name	10A CORE Intelli Plug
Product SKU	ME-COR-10A-MTTY
Product Characteristics	<p>Introducing Mesmerize Intelligent Range - the Core series 10AMP</p> <ol style="list-style-type: none"> 1) Control your business anywhere and anytime around the world; 2) Monitor and save your energy consumption on a monthly basis in kW; 3) Set your sequence based on the weather; 4) Share your devices with multiple users; 5) Group your Core with other Core devices; and 6) Compatible with Smartlife, Tuya, Google Assistant and Amazon Alexa

Application	Commercial, Industrial, Business
-------------	----------------------------------

Product Specification

Current	10AMP Max
EMC	YES, EMC Approved
Frequency	50/60Hz
Power Load	2400W Max
Wifi	Wifi 2.4GHz
Input Voltage	AC100-250V
Operating Temperature	-20°C - 50°C
Warranty	1 Year
Ingress Protection Rating	IP20
Main Materials	Polycarbonate External
Safety Standards	IEC60884-1&2-5, IEC61058-1&1-2, SANS164
